

Protocol for safe return to Swim Lessons

1. Please arrive only 10 minutes before class start time.
2. You and your child will be asked to sanitise your hands-on entry.
3. You will also be required to have your temperature checked on entry.
4. Children to arrive with swimwear on underneath clothes.
5. Only ONE person is permitted to accompany child to lessons.
(Siblings who are not attending classes are not permitted on premises)
6. Your child is NOT permitted entry to the pool before or after his or her class.
7. Please towel dry your child after class and leave changing area as quickly as possible.
(No showering)
8. If you are happy to leave your child once class starts and return 5 minutes before class end time this would be a great help in avoiding congestion.
9. Once class has finished there will be a one-way system in place for exiting the pool area. We will be asking you and your child to wait on deck until next class has left the changing area.
10. If you have any questions regarding your child's lessons we would ask that you do this either by phone or preferably by email mmaher@springhillcourt.com as we will not be able to deal with queries in the reception area on the day.
